

2012 ALL-NEW RANGER

☆☆☆☆☆ **5-STAR SAFETY**

First ever pickup to achieve top marks in safety test!

Kjaer & Kjaer authorized supplier of Ford vehicles and Honda motorcycles to the International Aid & Development sector

ALL-NEW RANGER INTENSE TESTING

CAPABILITIES

1 MILLION KILOMETERS OF INTENSE TESTING

Nothing about the All-New Ranger is incidental. It has been torture tested across 5 continents in extremely challenging conditions, - accumulating up to 1 million kilometers.

The All-New Ranger faced the most extreme environments, such as major mud slides, ice, water, excessively steep climbs and descents and intense heat - and conquered them all!

BEST IN CLASS

More powerful, fuel efficient and comfortable - than ever!

TOWING

Exceptional Towing Capability

- > Up to 2,520 kg
- > 3,350 kg braked towing capacity*
- > Hauled a 160-tonne historic steam locomotive out of its shed

*when fitted with optional tow ball

PAYLOAD
